Letter from the EDITOR

Witty commentary served in a freshly poured glass of "Egg Naugus"!

Hello, fellow Sonic fans!

Looks like the mad doctor is ready for an exquisite comeback with all of his **Egg Bosses**! Some of these guys look familiar, but what's with these new faces in the ranks? More will be revealed next issue! For now, let's take a look at the wonderfully wicked stars of this issue: **Walter and Wendy Naugus**!

Last we saw Walter, he was running with his tail between his legs (see *STH vol. 1: Countdown to Chaos*)! Now he's back with some new tricks up his claw! Wally's sister Wendy is here to cause trouble too!

BELOW: The new design for Walter "Wally" Naugus. Note the addition of his troll tail and how he looks more like a warlock with his hat and cloak.

WALTER NAUGUS - UPDATED DESIGN by Ian Flynn
VINCENT LOVALLO - MAY 2015

Some super fans may recognize Wendy as "**Witchcart**" from the game *Tails' Skypatrol*, released on the **Sega Game Gear** back in 1995! Boy, do I feel old... Anyway, check out the new designs Ian and I whipped up!

Hope you're all enjoying "Eggman's Dozen" so far! Next time we'll take a closer look at Wendy's strange trio of minions, **The Witchcarters**! See ya then!

BELOW: The design for Wendy "Witchcart" Naugus. Looking similar to her twin brother, Walter, note that her tri-claw hand is on her right instead of her left.

Dear 'My Sonic Universe,'
First, I'd like to write about a few things!
Congratulations to Evan Stanley and Tracy
Yardley on "The Silver Age". It was EPIC!!!!

*Wasn't it though? We'll pass along your
praise to both Sonic comic artist alumni!
I'm sure they'll be thrilled to know that
their hard work was duly appreciated!*

Could we have some more appearances
(Ooh, or maybe an SU arc) of the
Hooligans? Bean, Bark and Nack have
not shown up in any stories since the
Champions arc in StH. Well, they sort of
starred in 'The Great Chaos Caper' but
that was Knuckles' arc!

*The Hooligans will be making a very
important appearance in the Sonic comics
soon! What they'll be doing, however, is
strictly TIP-TOP SECRET...*

Also, I have some questions. Question 1:
Will we see Team Dark in the near future?

*Let's ask our magic eight-ball! What say
you, magic eight-ball?*

ALL SIGNS POINT TO YES.

Question 2: Are there any more Echidnas
left beside Knuckles?

*Let's ask our magic eight-ball! What say
you, magic eight-ball?*

OUTLOOK HAZY. ASK AGAIN LATER.

Question 3: How exactly did "Worlds Unite"
end? I'm a little confused.

*Let's ask our magic eight-ball! What say
you, magic eight-ball?*

**SPOILERS AHEAD—XANDER USED HIS
MECHANICAL EYE, BOOSTED BY THE MASTER
ENGINE, TO OPEN A TIME PORTAL INTO THE
PAST, SHOOTING SIGMA IN HIS ORIGINAL
VIRUS FORM AND DESTROYING HIM BEFORE
HIS PLAN COULD BEGIN, THUS MAKING IT
SO WORLDS UNITE NEVER "HAPPENED."
ONLY SONIC, MEGA MAN, EGGMAN, WILY
AND STICKS (VAGUELY) REMEMBER THAT
SOMETHING HAPPENED. ALL WORLDS AND
THEIR RESPECTIVE CHARACTERS WERE
RESTORED BACK TO NORMAL.**

*Golly gee-whillikers, that's... uh... very...
weirdly descriptive, magic eight-ball.*

ALL SIGNS SAY "NUTS TO YOU, FELLA."

Can I be Tails' #1 and the Hooligans' #1 fan?
Callum S. sent to
Sonic@ArchieComics.com

*Honestly, I'd ask the magic eight-ball,
Callum... but I'm scared it might get snarky
at me again. Thanks for writing us though!*

Dear 'My Sonic Universe,'
I just want you all to know that I enjoy your
comics. Thank you for making them, and I
hope you to continue the Sonic greatness!

Thank you very much, friend!

Can you tell me how Snively became a
GUN agent?

*I'm sorry but that GUN information is top
secret and classified! But, I'm very certain
that it'll be declassified some day...*

I noticed that Evan Stanley was writing the
story to the newest Silver Saga in *Sonic
Universe*. Will she be writing the *Sonic
Universe* Comics from now on, or will
the story script return to the hands of Ian
Flynn?

*Evan was our guest writer for the Silver
arc. Ian Flynn returns to Sonic Universe
penning the exploits of Eggman and his
brand new Egg Bosses this very issue!*

Has there been any Sonic video game
made by SEGA (that you know of, of
course) that has featured a character that
was only from the comics?

*You can find cameos of the Freedom
Fighters in their earliest designs (along
with Scratch) in the bonus stages of
Sonic Spinball!*

That's all for now. Keep on juicin'!
